

## Increase Sales with Wood Look Crates

Designed to add the farm-fresh look to reusable plastic, Tosca's wood look crates for produce increase sales with a more aesthetically pleasing display. Their durable design protects delicate produce better, enabling retailers to present higher quality produce to customers.

### Durable

Increased structural integrity protects products better and reduces waste.

### Aesthetically Pleasing

Designed to create a fresher, farmers-market look, our wood-look crates make product more appealing and increase sales as a result.

### Labor Efficient

Simpler re-stocking with a retail ready design. Easy to use with foldable and stackable design and ergonomic handles.

# Features and specifications
