

# Deliver Safe. Display Smart.

The Tosca Egg RPC is specially designed to transport and display eggs from farm to shelf. Enjoy peace of mind knowing your fragile cargo is protected by packaging far stronger than corrugated alternatives, proven to reduce shrink by 50%. With our unique one-step SmartWall™ design, setup and restocking is a snap. Eggs arrive safely and are ready for in-store display.

**Durable**

RPCs bear the weight of the stack above. A stronger container equals less damage and food waste.

**Sustainable**

Reusable containers reduce packaging waste and eliminate disposal needs.

**Labor Efficient**

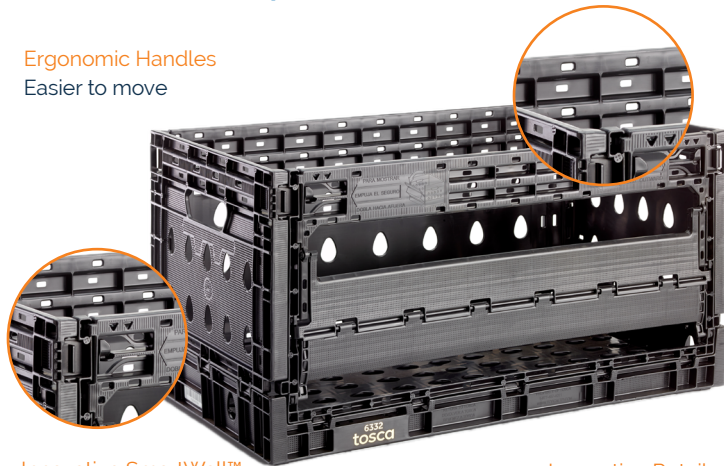

Retail-ready packaging can be stocked faster than corrugated packaging and enables 53% labor savings.

Cleaned under the most robust food safety program in the industry, ISO 22000
